TERMS SPECIFIC TO CANADA

NOTE: All provisions set forth below shall survive any termination or expiration of the Agreement.

Payment Terms - In addition to the provisions of Section 4.2.1 of the General Terms, the following shall apply:
Unless otherwise agreed to in writing by DS, Customer shall pay all invoices by wire transfer within thirty (30) days from the date of invoice.

Late Payments - In addition to the provisions of Section 4.2.2 of the General Terms, the following shall apply:
Customer shall pay interest for late payment at a rate of 15% per annum or highest bank rate on all funds unpaid at the due date, plus reasonable attorney fees and costs incurred by DS in collecting unpaid amounts.

Taxes - In addition to the provisions of Section 4.2.3 of the General Terms, the following shall apply:
All prices are exclusive of taxes. Customer shall be responsible for payment of any and all taxes, including but not limited to, sales, excise, on import or otherwise, or similar charges of any nature whatsoever, now in force or enacted in the future, that are levied, assessed, charged, withheld, or collected for or in connection with the transfer or usage, in the extent authorized hereunder, of the DS Offerings provided hereunder or otherwise arising in connection with the Agreement, but excluding domestic taxes based on DS's net income.
If Customer is required to withhold, deduct, or pay for any tax from the amount of fees to be paid under this Agreement, then Customer shall pay such additional amount to DS as is necessary to ensure that DS receives a sum equal to what would have been received had no such withholding, deduction or payment been required.

Export - In addition to the provisions of Section 12 of the General Terms, the following shall apply:
Unless provided for in a separate agreement, the parties shall not disclose or exchange any information that is listed on the Canadian Export Control List enabled by the Export and Import Permit Act (R.S.C., 1985, c. E-18).

Governing Law and Jurisdiction - In addition to the provisions of Section 15.13 of the General Terms, the following shall apply:
This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts, U.S.A. without regard to any conflict of laws principles and excluding application of the United Nations Convention for the International Sale of Goods. The parties irrevocably waive all rights to litigate by jury for any litigation between them. All actions and proceedings arising out of or relating to this Agreement shall be exclusively heard and determined by the courts of the Commonwealth of Massachusetts, U.S.A. Notwithstanding the foregoing, DS may, in its sole discretion, bring any claim or dispute (including but not limited to seeking injunctive relief and/or equitable remedies) arising out of, or in connection with the validity, interpretation and/or performance of this Agreement before any courts and/or administrative authorities having jurisdiction over the subject matter of any such claim or dispute.

Miscellaneous - In addition to the provisions of Section 15 of the General Terms, the following shall apply:
Relationship of Parties. Each party is independently and exclusively responsible for obligations undertaken by it under this Agreement. No party can be held jointly (jointly and severally) liable with another pursuant to this Agreement. No party shall be deemed an agent or mandatary of another party pursuant to this Agreement.
Choice of Language. The parties hereto have agreed and requested that this Agreement and other related documents be drafted in the English language only; les parties sus précitées ont exigé et demandé que ce document soit rédigé en langue anglaise seulement.

U.S. Government Restricted Rights Legend. The DS Offerings, and any other technical data provided hereunder are commercial in nature and developed solely at private expense. The DS Offerings are delivered as "Commercial Computer Software" as defined in DFARS 252.227-7014 or as a "Commercial Item" as defined in FAR 2.101(a) and, consistent with FAR 12.212 and DFARS 227.202, its-applicable, are licensed to customer only with those rights as are granted pursuant to the Agreement. Technical data is provided with limited rights as provided in DFARS 252.227-7015 or FAR 12.227-14, whichever is applicable.

If license keys or online service access are necessary for the Licensed Programs or Online Services or Packaged Offerings you have ordered and you indicated the necessary information on your order, you will shortly receive your license keys or online service access in another email.

However, for any Licensed Programs, if the generation of license keys was not requested at the time of placing your order, DS will generate the license keys when you are ready and you have provided DS with the necessary license key generation information. To request your license keys, please complete the License Key Request Form available at <http://www.3ds.com/terms/software-keys/> and return it to DS as instructed in the form. Please note that for each license key to be generated, it is essential that you indicate:

- The name of the Licensed Program for which the license key is to be generated.
- The target ID for the computer on which the license key will be installed.
- The operating system of the computer on which the license key will be installed.
- The mode in which the license key will be used (server or nodelock).

If your order includes support services for your Licensed Programs or Online Services or Packaged Offering, please connect to <http://www.3ds.com/support/customer-support-centers/> in order to register for Dassault Systèmes support tools.

Best Regards,
Dassault Systèmes

The screenshot displays the 3DEXPERIENCE 3DDashboard interface for Members Management. The top navigation bar includes the 3D logo, '3DEXPERIENCE | 3DDashboard Members Management', a search bar, and the user name 'Megan MANAGER'. The main content area features a 'Welcome to your platform' message and a notification: 'You have been selected as an administrator to manage users & roles.' Below this, instructions guide the user through the 'Members' and 'Roles' sections. The 'Members' section shows 27 total members (15 administrators), 0 pending invitations, and 5 remaining invitations. The 'Roles' section shows 26 granted roles, 2 capacity almost reached, and 0 expiring soon. The 'Pending Requests' section shows 3 requests, and the 'Storage' section shows 21% usage.

Vous accédez alors aux « Dashboards » par défaut pour l'administration.

Félicitations ! Votre Plateforme est prête à être utilisée.
